

## **The Leslie Fay Companies , et al. USBC Southern District of New York No. 93-B-41724(TLB)**

The Leslie Fay crimes involve the former **Bear Stearns** and the most powerful bankruptcy enterprise in the nation. High profile lawyers paid a million dollar slap on the wrist, but still just a tiny fraction of their fully forfeitable fees, instead of being incarcerated for perjury like

There is no question that the unlawful Court protection of dirty corporate executives and their lawyers in the Leslie Fay case set in motion the spiral of increasing corporate fraud which brought us **Enron**, [WorldCom](#) , **Fannie Mae**, and our current financial crisis.

The blatant criminality by and unrepentant attitude of the nations bankruptcy powerhouse is amazing.
