

**Note to our Readers:** We've gotten heavier traffic on [SONICblue](#) and all things [Bruce Bennett](#)

than when we first covered his sloppy impulsiveness. Why not tell us on Facebook or Twitter if you're the "

" conflict, former associate, or public servant getting dragged through the muck. They say that M.I. can predict an invasion just by the increased frequency of communications in the lead up - not sure the analogy applies but there seems to be something in the warming Spring air... We'll only know when you speak out. But no matter who you are: Thank You for your support of this site.

**Happy St. Patrick's Day**, and top of the morning to ya!

In [SONICblue](#) , organized crime committed by a cabal of lawyers is laid bare for the public to see. Crime and cover-up was used by one Irish lawyer to try to extort undeserved favorable treatment in the millions of dollars. In true shameful form we find the crime of Fraud Upon the Court by an entire law firm protected by brethren criminals. [Only an](#)

'Tis true one must be quite very sleazy and corrupt of a bankruptcy lawyer when one of your own slaps you around like this:

- [Suzanne S. Uhland](#) of [O MELVENY & MYERS LLP](#) and their "*participation in fraud*".
- [Bruce Bennett](#) of [Jones Day](#) (after imploding [Dewey & LeBoeuf](#), immediately after having imploded his namesake [Hennigan, Bennett & Dorman](#)) conducted an "*insidious campaign to corrupt the administration of [the SONICblue] bankruptcy case*".
- [Aron O' Liner](#) of [Duane Morris LLP](#) takes a "half hearted approach to challenging O Melveny & Myers' role in the fraud on the court".
- "The reorganization of [SONICblue, Inc.](#) has been *tragically marred by the misdeeds of professionals*" - **Judge Marilyn Morgan**

Read how **Ron Oliner** belatedly did his duty, and then some, as he *bitch-slaps* **Sue Uhland** in
